

## TARGET THE IDEAL CUSTOMER IN THE PLACES THEY VISIT AND TRUST THE MOST!

With over 700,000 venue locations and our extensive experience of working with insurance providers, we have implemented marketing campaigns in senior citizen centers, doctor's offices, pharmacies, children's hospitals, daycares and many more across the nation.

Each of our campaigns are custom tailored, ranging from a national audience to a hyper-local niche demographic. Our turn-key packages include strategy, printing and placement, as well as a detailed post-campaign report so you can measure the impact of your campaign.
