

Hand Sanitizer Station Displays

Hand Sanitizer + Masks + Glove Options Available

Essential Hand -Sanitizer Stations that can be fully branded and provide the **safety** to consumers and employees as we embrace the new rules and guidelines put into place by the states. This signage opportunity is not just another place-based media, it allows for internal branding for large corporations with multiple locations and we've seen huge success in Brick-and-Mortar companies. It's a unique opportunity for large brands to not only advertise but help provide safety solutions during the pandemic.

These Custom-made, **fully branded** hand sanitizer stations are perfect for **indoor or outdoor** use. Here are the top 5 Venues we've seen clients and brands love to pitch! A perfect media to recommend for a client campaign.
