

GET YOUR MEDIA IN THE MARKET

Interested in our number one selling media? **Hand Sanitizer Stations**, it's perfect for venues and brands that want to help keep businesses, employees and customers safe during the pandemic. This media can be placed indoors and outdoors, with a **fully branded message**. It is not only a great media for clients but internally branding for large to small corporations.

With the surge of Out-of-home media buys and audience measurements improving, our massive network with over 50+ industry venues offers the perfect **OOH** opportunities!

Let place-based media be the reason your brand is present in the market and be the message the audience keeps coming back for. We provide unique **opportunities** to engage with consumers on the **most personal** and interactive medium! Learn more today.
