

## BOOST YOUR BRAND IN K-12 SCHOOLS

PLACE YOUR BRAND IN K-12 SCHOOLS THROUGHOUT THE NATION BY TARGETING SPECIFIC ZIP CODES, COUNTIES, REGIONS, OR NATIONALLY.

Our displays are a perfect fit for brands to sponsor a school and donate **hand sanitizer stations** to local communities. Our stations can be **fully-branded**, great for **indoor or outdoor** use and can be placed in a variety of locations within the school. While most schools begin to reopen this is a unique opportunity for large brands to advertise in schools as well as provide safety solutions.

STANDARD STATION

TOUCHLESS STATION

TOUCHLESS JR. STATION
